# Kerala Catholic Engineering College Managements' Association

## PREFACE

The Kerala Catholic Engineering College Managements' Association (KCECMA) represents 14 Engineering Colleges in Kerala.

From 2007 onwards the Colleges were making admissions, purely on the basis of merit. Merit was being determined by combining the marks obtained by the candidates in the CET conducted by the Commissioner for Entrance Exams, and also the marks obtained by them for the relevant subjects in their qualifying exams.

All students were to pay a uniform fees and for BPL candidates, scholarships were being provided.

The state Government had signed a seat sharing agreement with these Colleges, whereby 50% of the seats would be permitted to be set apart to the CEE for allotment.

All the students would pay the same fee. The Colleges would set apart a sum of Rs.3 lakhs per batch of 60, to be provided as scholarships to the BPL and other poor candidates.

If any seats remain vacant after the last date for the Commissioner to make allotments, those seats would be reverted back to "open merit" category and would be filled by the Colleges.

All the colleges are affiliated to the APJ Abdul Kalam Technological University (KTU), Thiruvananthapuram.

We hope to commence classes, as AICTE Directions.

We solicit the co-operation of all concerned.

## Our Mission

We transform the youth into finest technocrats to lead the world to greater all round prosperity upholding highest standards in personal, social, ethical, moral and family values with a sensitivity to the environment and the world around. Our commitment to the society shall be total without fear, favour or prejudice. We firmly believe that the ultimate judge shall be the Almighty.

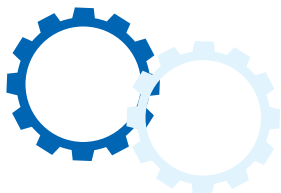

## THE KERALA CATHOLIC ENGINEERING COLLEGE MANAGEMENTS' ASSOCIATION

The Kerala Catholic Engineering College Managements' Association (KCECMA) is a fraternity registered under Travancore, Cochin, Literary, Scientific & Charitable Societies, Registration Act, 1955 No. ER 1977.

KCECMA has been formed with a mission to promote engineering and technical education in Kerala matching international standards coupled with a strong base on moral, social, ethical and civic values. Our moorings are based on the Christian doctrines of love, peace and universal brotherhood.

The Association functions as a voluntary self-regulatory agency ensuring quality technical education without compromising on social justice. Our member institutions value transparency in every aspect - student selection, teacher and other staff selection, etc. We stand for equal opportunity for all without discrimination of any kind whatsoever.

The Association endeavours to make Kerala a global destination for technical education. The strategies and programmes include continuous quality assurance, improvement and monitoring programmes, skill development of students - technical, personal and social - and faculty training and development programmes. Simultaneously we focus on maintaining technical education at affordable levels eliminating the urban-rural and rich-poor divide, though on cost sharing basis.

#### **IV. PROCEDURE OF SELECTION**

4.1 Preparation of Merit list and Allotment of Seats:

Each college will prepare a separate merit list for the college concerned. The Following Method

will be applied in the preparing the merit list as per Kerala Govt. order 1615/2025/HEDN dated 26/12/2025 and KEAM Prospectus 2026 Clause 1.4(a) Clause 9.7.4(b) as follows .

Clause 1.4 (a):- Admission to Engineering courses shall be regulated on the basis of merit as assessed by giving equal weightage of 50:50 to the normalized score obtained in the Entrance Examination for Engineering and the grade/marks obtained in the final year of the qualifying examination for Mathematics, Physics and Chemistry put together in the ratio 5:3:2, after effecting the normalization procedure as described in Clause 9.7.4(b), for computing the Index mark out of 600. In case, the candidate has not studied Chemistry, the marks obtained in Computer Science shall be considered. In case, the candidate has not studied Chemistry and Computer Science, the marks obtained in Biotechnology shall be considered. In case, the candidate has not studied Chemistry, Computer Science and Biotechnology, the marks obtained in Biology shall be considered. The marks as shown in the mark list obtained from the Board of Examination of respective Higher Secondary Board shall be considered for academic eligibility.

Clause 9.7.4 (b) (i) Equal weightage of 50:50 shall be given to the normalized score obtained in the Entrance Examination for Engineering as described in Clause 9.4.4 (i) and the grade/ marks obtained in the final year of the qualifying examination for Mathematics, Physics and Chemistry put together, in the ratio 5:3:2, after effecting the normalization procedure as described in Clause 9.7.4(b)(iii). In case, the candidate has not studied Chemistry, the marks obtained in Computer Science shall be considered. In case, the candidate has not studied Chemistry and Computer Science, the marks obtained in Biotechnology shall be considered. In case, the candidate has not studied Chemistry, Computer Science and Biotechnology, the marks obtained in Biology shall be considered.

(ii) The final year marks of the qualifying examination of each subject Mathematics, Chemistry /Computer Physics and Science/Biotechnology /Biology, after effecting the normalization in each subject, shall be put together in the ratio 5:3:2 (Mathematics: 150, Physics:90, Chemistry:60) so that the combined marks of the three subjects is out of 300.

(iii) The marks obtained by the students in the relevant subjects in the qualifying examinations conducted by the various Boards or Authority shall be normalized using the following formula. The normal mark  $Y_B$  of a candidate of a particular board, B, is

$$Y_B = \frac{X_B^j}{H_B^j} \times 100$$

where  $H_B^j$  denotes the maximum of the marks, secured by the students of a board (B) in a particular year (i) for a particular subject, and  $X_B^j$  denotes the mark secured by a candidate of the board (B), for that subject in that year (j).

Qualifying examinations of different years of the same board will be treated as different from each other.

Seats set apart by the individual colleges for the JEE candidates will be allotted based on the score/rank obtained by the respective candidates in the Entrance test conducted by the National Testing Agency (JEE) and Government Orders, if any.

\* Selection procedures may be changed as per the decision of Govt. of Kerala or any orders that may be passed by the Courts regarding the addition of +2 marks for KEAM rank calculation.

#### 4.2 Percentage of seats reserved under various heads

Details of reservation and seat allocation under various categories are mentioned in the respective pages allotted to each college in this prospectus. Candidates belonging to all denominations in Christian Community are eligible to be considered in the community quota seats.

#### 4.3 Furnishing of false information/particulars would result in the forfeiture of the candidature as well as cancellation of admission to the course if admitted and in addition, will attract the relevant provisions of criminal law of the land.

#### 4.4 Merit list for the different categories will be published in the college website/college notice boards, of the college concerned. Selection will strictly be in the order of merit. Selected candidates will not be intimated by post and they are advised to refer to the web site /individual college notice board and appear for the interview and final selection without fail.

#### 4.5 Candidates can give their higher option preferences on the date of admission at the admission desk. However, such higher option requests will be considered only till the commencement of classes. All the higher option preferences will stand cancelled from the date of commencement of classes.

#### 4.6 Lapsed seats ( merit/ management )after completeing the allotment process of CEE by observing the academic eligibilities prescribed by the AICTE for B. Tech Admission.

### V. DATA VERIFICATION

Details of all applications received including considerations for weightage/preferences and reservations, marks etc. will be published on the website of the respective college on the appointed

date. Candidates are advised to verify the same and notify entry mistakes, if any, within the stipulated time limit. No further request for correction will be entertained.

## We make Engineers, not just Engineering graduates

Albertian Institute of Science and Technology (AISAT), an undertaking of the Archdiocese of Verapoly, carries forward a rich legacy of centuries of commitment to education. As a leading institution in engineering education, AISAT offers quality co-education with a strong emphasis on academic excellence and holistic development. Strategically located in the industrial belt of Kochi and in close proximity to Cochin University of Science and Technology (CUSAT), the institute benefits immensely from academic synergy and industry-institute collaboration.

Further strengthening its academic stature, AISAT has been conferred autonomous status, empowering it to design innovative curricula, adopt flexible evaluation systems, and respond effectively to the evolving demands of industry and society.
